Impact of NPA on Indian Economic Development

Report:

Impact of NPA on Indian Economic Development was conducted on 21.11.2023 at 03.30PM – 04.00PM at PMC Tech., Hosur Campus. This event has been organized by MBA Department. It is has been conducted Offline mode to both Final year and First year PG students of Er.Perumal Manimekalai College of Engg. Hosur. Shri.Gangaraj Durairaj was the resource person and delivered a Seminar on Impact of NPA on Indian Economic Development In his speech to explain about How Indian economic development will change in future. Their focus is on Non-performing Assets in Economic development. Its future trends, challenges and threats in the business. Dr.P.Mohanraj, HOD/ PMC Tech., welcome the gathering, Dr.S.Chitra, Principal/ PMC Tech., felicitate and addressed the gathering. In her speech, she explained the importance of management and to understand the concept OF Indian economy to the students. Moreover she pointed out issues in economic development in India and extended her gratitude to our management for the continuous support and encouragement given by PMC Tech. Around 121 UG & PG students of PMC Tech., are participated in this seminar. At the end of the session, students are asked many queries and clarified their doubts. MBA Department/PMC Tech. has arranged seminar hall for attending the programme. The program ends with vote of thanks proposed by Dr.P.Mohanraj, HOD,MBA/ PMC Tech.

The Final year & Pre Final year students of MBA are participated and gained knowledge about management. They also learned about NPAs are a recurring feature in the banking sector that causes financial crises. It is stated that poor asset quality translates into lower interest income and higher loan loss provisions, eventually leading to deterioration in banks' profitability and regulatory capital. Therefore it's very important to the students to know about impact of NPA in India and in the economic development.
