

## ABOUT THE COLLEGE

Er.Perumal Manimekalai College of Engineering, established in the academic year 2002-2003 is approved by All India Council of Technical Education (AICTE), affiliated to Anna University, Accredited by NAAC with 'A' Grade with 3.25 and Accredited by NBA (CSE, EEE, ECE, IT, MECH). PMC TECH creates unique opportunities, affords individualized educational challenges, promotes high order thinking skills and maintains a strong tradition of academic excellence for the students.

The College is equipped with good infrastructure, highly qualified and well experienced faculty members for grooming the student's proficiency in their subjects. On the other side an active training cell is acquainting the students with essential soft skills so that finally the placement cells successfully carry out placements on the expert guide of our Principal.

## SCOPE OF THE CONFERENCE

The International Conference on Recent Innovations in Science, Engineering and Management (RISEM 2023) aim to bring together the leading academic scientists, researchers and research scholars to exchange and share their experience and research results about all aspects of Engineering Technology and Innovations. It also provides the premier interdisciplinary forum or scientists, engineers and practitioners to present their latest research results, ideas, developments and applications in all areas of Engineering, Technology and Innovation. This will help tremendously in gaming a reputation in high level scientific

circles across the world, making your phenomenal research work well-known and widely recognized. Prizes will be offered to participants with the best paper presentations, etc.
