In order to improve the communication skills of the students, the training and placement cell have organized a seven days training programme on communication skills. The students of I MBA participated in the training programme. The resource persons from Col's Calibre, Coimbatore handled the classes in a scheduled manner. The trainers gave various tests to check the language ability of the students and based on their observance, the students were trained. The students were able to gain knowledge regarding communication skills. The students were provided with various materials which provide informations about communication techniques. Each day classes were different from the previous class and hence the students were much interested in attending the 7 days classes.

### Report on Communication Skill Development Programme

The Management of Er. Perumal Manimekalai College of Engineering organised a training programme for the students of I MBA and MCA for improving their communication skills. The training programme has been for two sessions in which the first session evented from 24 September 2018 to 01 October 2018. Both the students from MBA and MCA participated in the training programme.

COL'S CALIBRE is a training institute for the Spoken English & Written Communication which is functioning at Coimbatore. Col. Jeyaraj is the head of the Institute and his team members were the trainers of the training programme. The first session was headed Mr.Bharath and his team members who trained the students with grammar. The students were given fundamental grammar training and assignments were given to test the students whether they were able to follow the training. Activities and group discussion were very much interesting and the students actively participated in the activities.

The next session started from 21/01/2019 to 30/01/2019 and it was the continuity of the first session. In this session the resource persons trained the students in spoken English communication. The training activities focussed on making the students to speak English without any hesitation or fear. The trainers made each student to speak in front of the crowd and motivated them to overcome their fear.

The training programme gets completed on 30 January 2019. There was a valedictory function in which the HoDs of MBA and MCA participated along with Col. Jeyaraj who was the head of the trainers of COL'S CALIBRE. In the valedictory programme, the students shared their experiences in the past two sessions and the trainers also commented on the students activities in the training programme. The students gave the feedback that the training programme was very helpful for them to overcome their difficulties in speaking English as well in written communication.

**COMMENTS**

The communication training was really good. I learnt clearly on grammar. This I learnt how to communicate with others without grammatical mistakes. It is very useful to me. This makes me to gain more confidence in English and I hope will communicate fluently with others.

**B. A brief report on the event by the Convener / organizing Chair**

The workshop on the topic employability focused on the II MBA students who were at the doors of placements. Hence the workshop concentrated on the students soft skills, communication and intelligence which were the keys for successful placement. Dr. Sekar, Secretary of NHRD Hosur chapter, handled the sessions in an interesting manner. The students actively participated in the events, which have been framed by the resource person. The students clarified their doubts on the employability skills in which they were lacking. The workshop also helped them to identify their strength and weakness and such weakness can be rectified. The students considered this workshop as more essential for their placements in reputed companies.

### Report on the workshop on "Employability Skills"

A workshop on "Employability Skills" has been organised by the Department of Management studies on 27 September 2019 in order to enhance the students about interview techniques and corporate expectations. The resource person is Dr. N. Sekar, Secretary, NHRD Chapter, Hosur.

The Session Started with Prayer song and Welcome address by M.J.Sree Puniya Final MBA Student. He focused on today's scenario about the Corporate expectation and the students passing out from the Educational institution as a freshers a huge gap between the industry requirement and the students inexperience.

He spoke on the Current requirements related to knowledge and skill which the students have to cope up with the updation on technology and brush up with the value added courses especially on Excel training and Communication, Tally, ERP,SAP etc, where the opportunities are plenty and the demand by the various corporates are huge with these skills.

Therefore the students need to focus and upgrade as per the industry requirements and the educational institution has to bridge the gap to join hands with the Companies to train the students and let them know what the industry expects and show them the directions to prepare themselves for their future career goals.

He highlighted on aptitude skill, communication skill, written skill, social skill etc are some of the elements which is needed for the hour. He concluded by briefing that students should be prepared in advance employable before industry demands followed by Vote of thanks by Final MBA Student Mr.B.Srinivasan.

Sub: "Transactional Analysis for Effective Living" 2 Days experimental learning Workshop for our MBA Students - program conducted approval for payment release - regarding - reg.

As approved by Secretary Sir, the "Transactional Analysis for Effective Living" 2 days experimental learning workshop for our MBA students was conducted on 10<sup>th</sup> and 11<sup>th</sup> of May 2017 by Mr. G.Muralidharan, GM Innovation India, Chennai & his team. The brief details:

The Training department reviewed the feedback of students, faculty and also the trainer. The original reports are attached and briefed below for the kind perusal of Management.

Students	Ever since the program started the students involvement, attention and interest etc has been positive in the aspects of personality factor learning, improving self confidence, avoiding hesitations, talent exposition, group performance, importance of team work, avoiding ego factor through Transactional analysis.
Faculty	Program in the classroom and out side especially games, campfire etc have helped students motivational, participative and involvement factors. The problem solving attitude and avoiding fear etc could overcome by the tower building, ice braking and individual and group presentations programs etc.
Trainer	It was learning each other session an eye opener for both. Improvised gender relationships. Lots of team spirit could be seeing while it was earlier in hidden status. The secession helped in learning improvements through thought sharing, involvement and expositions without fear even coming to stage for explaining.
TRAINING DEPT.	We have been normally providing training through academic personnel or skilled professional. This is being arranged by <u>Corporate Professional</u> in turn helped better exposure to corporate culture and help students to learn better to succeed and sustain in the Corporate culture.

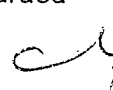

Having completed the program, we may now release the agreed upon payment to the trainer and other expenses as below;

1. Consolidated payment of Rs.30,000/- due to the Trainer by means of cheque favouring Mr.Muralidaran.
2. Besides above the MBA department have incurred Rs.903/- incidental expenses in connection with organizing the program. Consideration to reimburse the same.

## Report on the Training Programme by the students

The training programme "Transactional analysis for effective living" for II MBA students was conducted by the Department of Management studies on 10/05/2017 & 11/05/2017 at the lecture hall of MBA department. The trainers Mr. G. Muralidharan & Ms. G. Visalaxi handled the session for those two days.

The trainer insisted on the importance of personality development. The programme started with the Inauguration speech of by Dr. S. Ravi, Head of the department & Mr. Krishnan, Manager, III Cell. Then the session was handed over to Mr. G. Muralidharan. The introduction session was followed by the speech by the trainer on self-confidence & personality development. He told that the self confidence is the key for personality development. The activities based on ice breaking were conducted by the trainers at the morning session for the students to come out of hesitations.

In the after session around 2 pm, the students were asked to present their talents in the stage. The students were made into teams and they were asked to perform in groups or as individuals. The students sang songs and danced in front of the participants and quoting those presentations the trainers explained the values of team work.

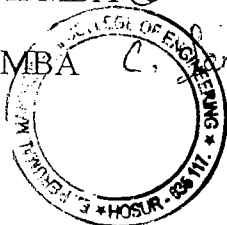

After 5 pm the students and faculties participated in sports like volley ball, basketball & shuttle. Camp fire has been set up around 7 pm and the students actively participated in the campfire with more enthusiasm. The first day session completed after the camp fire.

The next day session started around 9 am in the MBA lecture hall. The students individually presented their power point presentations on Transactional analysis. After the presentations there are some activities bases on team work in the afternoon session. Tower building activity was one of the most interesting activities done by the students.

As a last activity the students were asked to write their opinion about their classmates individually which would help everyone to develop their characters. After completing the activity the two day programme winded up. The students felt that such programmes will be helpful to improve their soft skills and self-confidence.

Employability Skill Development Program for IV B.E /B.Tech is held for 2 weeks from 27.02.2017 to 09.03.2017 in our campus organized by the department of Training by TNSDC and ICT Academy.

It helped in creating synergy among students engaged skills development activities . It trained the students in the latest skills technology which is in demand in the industry. Student got aware on the latest employability trends in the IT and ITES sector.. It was a knowledge sharing sessions and was useful to our IV year students. The expertise of the trainer in both manufacturing and services helped to create parallel examples for cases.

The program was not only providing meaningful employment strategies to the youth and also suggested the construction activities ,which generate positive and social impact in the community.

This structured training empowered the students with skill sets and knowledge about the specific trades, advancement of technology & made them aware with recent trends and best practices in construction industry in a short period.

**REPORT ON EMPLOYBILITY SKILL DEVELOPMENT PROGRAM**

Employability Skill Development Program for IV B.E /B.Tech is held for 2 weeks from 27.02.2017 to 09.03.2017 in our campus organized by the department of Training by TNSDC and ICT Academy.

It helped in creating synergy among students engaged skills development activities . It trained the students in the latest skills technology which is in demand in the industry. Student got aware on the latest employability trends in the IT and ITES sector.. It was a knowledge sharing sessions and was useful to our IV year students. The expertise of the trainer in both manufacturing and services helped to create parallel examples for cases.

The program was not only providing meaningful employment strategies to the youth and also suggested the construction activities ,which generate positive and social impact in the community.

This structured training empowered the students with skill sets and knowledge about the specific trades, advancement of technology & made them aware with recent trends and best practices in construction industry in a short period.

With a view to better groom our students inline with the expectations of industries, Sathya Sai seva Samathi (SSSS) Training Team have come forward to help us and accordingly proposed to conduct training sessions on perpetual orientation for professional development program for week from 9<sup>th</sup> to 12<sup>th</sup> March 2016 , 14<sup>th</sup> to 17<sup>th</sup> March 2016 and 18<sup>th</sup> ,19<sup>th</sup>,21<sup>th</sup> and 22 March 2016.

The trainer discussed the benefit of skills and how to put them in to practice. Students learnt with real time examples. In this interactive workshop students tend to explore, practice and develop communication skills that lead to effective communication.

As a whole students learnt communication styles, active listening skills and engage in assertive communication, techniques for managing stress.

Besides this training provided students work and life balance skills.. Students were highly motivated and willing to participate in the future programs.
