## About TANCAM

Tamil Nadu Industrial Development Corporation (TIDCO) established The Tamil Nadu Centre of Excellence for Advanced Manufacturing (TANCAM) at the TIDEL Park, Chennai. A first of its kind Centre of Excellence (CoE) in India, TANCAM will provide a dedicated IT engineering ecosystem to support the Micro, Small & Medium Enterprises (MSME) sector and students across Tamil Nadu, and enable the growth of industries such as Aerospace, Defence, Automotive and Electric vehicles. Dassault Systèmes has signed a Memorandum of Understanding (MoU) with Tamil Nadu Industrial Development Corporation (TIDCO).

## About TNWISE

The Tamil Nadu Centre of Excellence for Advanced Manufacturing (TANCAM) is proud to host the Women's Hackathon as part of TNWISE-2025 (TANCAM's hackathon for Women in Science and Engineering), continuing its successful editions from 2023 and 2024. This initiative reflects TANCAM's commitment to fostering gender inclusivity, innovation, and entrepreneurship in STEM fields while aligning with Tamil Nadu's broader vision of empowering women in science, technology, and engineering. Building on last year's remarkable success where over 3,200 women students from 250+ colleges presented 1,106+ projects and won a total cash prize of 12 lakh. TNWISE-2025 aims to be an even more impactful platform for aspiring women innovators. This year, the hackathon will be conducted at TANCAM Spoke Centres across Tamil Nadu, providing participants with a collaborative space to develop and showcase their groundbreaking ideas. With an impressive prize pool of 19.2 Lakhs, TNWISE-2025 promises to inspire and support the next generation of women leaders in STEM.
